25X1A6a ([REDACTED] Comment. Of the banners listed above, Taipus East, Taipus West, Shangtu and Minggan Banners, are not banners, but are known as 'surugs' in Mongolian. The literal translation of 'surug' is flock, or herd, and was applied to the administrative unit made up of people who formerly watched over the flocks of the Ching dynasty in that region. Today, however, they are commonly called banners.)
